New wdition of the Minor Global Acting in IT

Once again, EPS participates in the **Global Acting in IT minor**.

This international minor consists of studying specific modules of 3 weeks duration throughout one semester (the 1st semester of the 4th year) in person at each of the 5 participating institutions:

- Fontys University of Applied Sciences - coordinating institution - (Netherlands),
- University of Lleida,
- PXL University of Applied Sciences and Arts (Belgium),
- University of Applied Sciences Upper Austria (Austria), and
- Belgium Campus ITversity (South Africa).

The Minor consists of six blocks in total, being the **UX module** that from University of Lleida, taught by professors Toni Granollers and Marc González from the GRIHO research group.
