## Paper about the Emotions Ontology in the Computers in Human Behavior Journal

The paper “*Emotions ontology for collaborative modelling and learning of emotional responses*” has been published in the [Computers in Human Behavior Journal](http://www.journals.elsevier.com/computers-in-human-behavior) [ <http://www.journals.elsevier.com/computers-in-human-behavior> ]. The paper describes the work done in collaboration with Cindy Mason (Stanford University and MIT Media Lab), which explores ways to model common sense knowledge about emotions using the Emotions Ontology.

The papers is available Open Access from:
