Sergio Sayago publishes a research book

[Sergio Sayago](https://sergiosayagoblog.wordpress.com) [<https://sergiosayagoblog.wordpress.com>], colleague and member of the GRIHO group publishes the research book "[Cultures in Human-Computer Interaction](https://link.springer.com/book/9783031302428)" [<https://link.springer.com/book/9783031302428>]"

The book is published in a "book series" of great international prestige; its publisher is an important and recognized author in my research area.

The book is part of the book series: [Synthesis Lectures on Human-Centered Informatics](https://www.springer.com/series/16906) [<https://www.springer.com/series/16906>] (SLHCI) whose editor is the recognized John M. Carroll

Congratulations Sergio !!!
